

The Old Greshamian Club

Dear Former Greshamian,

The committee of the Old Greshamian Club has much pleasure in welcoming you to join the OG Club. A lifetime subscription is available for £200 and will entitle you to receive the annual OG magazine, which includes news, announcements and school updates, in addition to receiving invitations to OG events and reunions. We will also send you the OG Calendar, which gives details of Club social gatherings and sporting fixtures.

The OG Club is very active, holding regular functions, including drinks parties and reunion dinners. We hold a Ball every few years and our 450th anniversary celebration was particularly successful with over 750 people attending. The HOGS Hockey Club has regular fixtures and the OG Golfing Society is always very popular. We also enjoy annual matches against the School in most sports.

The Club is not part of the School although it retains strong links; its main purpose is to keep you in touch with each other and foster friendships. Our membership is over 4000 strong and whether you enjoyed your time at school or not, our shared experiences mean that we are all part of the same family.

Please keep us updated with any changes of address/email and telephone numbers so we can remain in touch; we would be grateful to receive all of your news.

On behalf of the Club, I wish you every good fortune and success and look forward to meeting you at an OG event soon.

Yours sincerely

Michael Baker
Chairman
